

Dim-Out Blind Systems

Dim-Out Blind System

Silent Gliss® 4595

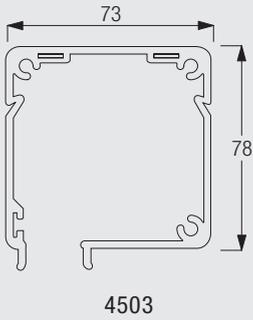

Product Information

- Electric operation.
- Horizontal or sloping applications.
- Fabrics are contained within the side profiles by rivets (or a crossbar in heavy duty situations) to prevent the fabric coming out.
- Standard colours: aluminium anodised or white powder coated.
- Plastic components are black or white in all cases.
- Choice of FR blackout fabrics.
- Delivered ready-assembled made-to-measure.
- The cassette 4590 delivered in white aluminium framework.
- Can be combined with Radio Remote Control System Silent Gliss 9940.

4595
